Vice Chancellor's Office

Summary of the University Committee for Research and Innovation meeting (UCRI) held on 29 November 2022

Please see below a brief summary of the main topics of discussion at the recent meeting of UCRI:

Main topics of interest:

At this meeting we:

- Reviewed the updates to the research integrity training and discussed the requirements of the training for different groups of researchers. We agreed the next steps which will include the roll out of Layer III of the training and the creation of a CoP of trainers.
- Reviewed the University's Research Impact Strategy which aims to strengthen the impact of our research and embed the generation of impact from research in our research culture. We agreed that support would begin immediately.

In other news we:

- Reviewed a batch of the REF reflection responses. Once all the reporting is complete we will compile feedback to units.
- Considered the updated Personal Research Plan and suggested edits prior to final approval.
- Considered the revised RDL role description and suggested edits prior to final approval.
- Gave our agreement to progress with an EIT Food Strategic Partnership membership
